SUPER CONCENTRATED WINDSHIELD WASHER SOLVENT

Wynn's® Super Concentrated Windshield Washer Solvent is a windshield washer concentrate designed to be diluted with water and used to fill windshield washer fluid reservoirs. With outstanding cleaning ability and resistance to freezing, it softens, dilutes and dissolves road and salt film, mud, bugs and other debris so that it may be quickly and easily removed by windshield wipers. Dyed blue for easy identification.

- ✓ Removes Bugs, Mud, Road and Salt Film from Windshields
- ✓ May Be Used in All Types of Vacuum and Electric Washers
- ✓ Helps Prevent Freezing in the Windshield Washer Fluid Reservoir, Pump and Lines
- ✓ Assists in Removing Ice Film from Windshields
- ✓ Free from Smearing and Harmless to Vehicle Finishes
- ✓ V.O.C. Compliant in 49 States When Diluted as Directed
